

# **WAIVER OF ROAD SERVICE:**

I am aware that a 3<sup>rd</sup> party Roadside Assistance company is being dispatched to me, and I agree not to hold Alliance Business Group (ABG), DBA 30 Minute Towing, liable for any of the services rendered by this 3<sup>rd</sup> party. This includes any damage, injury, death, theft, property loss, or the like. I agree that Alliance Business Group is innocent of any and all wrongdoing that may occur during this service.

I am also aware and agree that there is a refund policy that all sales are final and any refund requests are decided by Alliance Business Group solely, and can be accepted or rejected at any time for any reason.

I also agree to fill out and send a Service Review Form, which is attached to this request for Roadside Assistance Service, within 1 hour of receiving (or not receiving) service. Without filling out this form I agree that I have no claim for any refund whatsoever.
